Welcome to Harwood Springs Townhomes

Modern Living in the Heart of Vernon

Discover your future home at Harwood Springs — a thoughtfully designed collection of contemporary townhomes where elevated style meets exceptional convenience. Ideally located in central Vernon, you're just minutes from schools, shopping, and every urban amenity — making daily life effortlessly connected.

Designed for Living: Beautifully Crafted by a renowned Vancouver designer, each home showcases spacious three-level living with high-end interiors, premium appliances, and energy-efficient heat pumps. From elegant finishes to smart floorplans, every detail is tailored for modern comfort.

Smart. Sustainable. Stylish.

- EV charging stations
- Double garages with plenty of storage
- Low-maintenance, high-efficiency design
- Select units include fully self-contained one-bedroom suites — ideal for extended family, rental income, or a private guest space

Whether you're upsizing, downsizing, or investing in your future, Harwood Springs offers a rare blend of luxury, flexibility, and community warmth.

About Green City Group

Experienced. Visionary. Proven.

Green City Group is a trusted development company with a solid track record of delivering high-quality townhome communities in Vancouver, Kelowna, and the North Okanagan.

With years of experience in residential development, our projects blend modern architecture, environmental sustainability, and community-conscious design. We are proud to have successfully completed a 44-unit townhome project in Vernon, now fully tenanted — a true testament to our expertise and market insight.

At Green City Group, we don't just build homes — we shape thriving neighborhoods. Our passion lies in creating beautifully crafted, future-forward living spaces that offer comfort, convenience, and enduring value for homeowners and investors alike.
